Adam Farina  
Fire Stop Systems, LLC  
4173 Arnold Ave.  
Naples, Florida 34104

Adam,

It has been a pleasure working with you and your team at Fire Stop Systems LLC on Phase 3 of the Moorings Park Project. Specifically, the quality and professionalism of your submittals, response time and overall installation has been top notch. I would highly recommend your services to any other contractors/owners/developers requiring spray applied fire proofing on their project

Sincerely,

Dan Shefferly  
Senior Superintendent (786)-575-4440
